Dear St. Catherine's family,

Community, Prayer, Service and Study – more than words garlanding our cafeteria pillars, these are Dominican values you have helped engrain in our Angels, with your prayers and support.

Abundant examples of our young men and women living out these values shone in the 2015-16 school year. In our Spring theater production, *Shrek, The Musical*, a group of kids came together as a community, engaging audiences young and old. The players and techies cherished the opportunity to connect with future SC Players in a meaningful way, knowing that they left a lasting impression on hundreds of youngsters who came to the performances from local grade schools.

We saw the power of prayer when our Science teacher Michael Barnes shared his story as an Army veteran at the Veterans' Day prayer service. Michael inspired faith in our students and staff through his heartfelt message. Later in the year, we participated with full hearts as 8th graders led the Stations of the Cross, bringing to life Christ's passion and death in a solemn presentation.

In January, 65 students and four teachers dedicated their long weekend to five days of service, participating in projects along a bus tour to St. Louis. Through the servant leadership program Students Today Leaders Forever (STLF), our Angels responded to the needs of others beyond Racine. In April, we turned our attention to the closer demands of our local community, as all students participated in A Day with a Purpose. Over the course of the school year, our young men and women provided more than 7,000 volunteer hours to the community!

The 2015-16 school year manifest an internal effort to study ourselves, challenge current practices and assess outcomes. Our academic team, led by Principal Betty Hunt '72, successfully traversed St. Catherine's re-accreditation by AdvancEd. This was a great opportunity to appraise areas of strength and address areas of weakness and led to a newly created School Improvement Plan. Over the next several years, we will use the assessment tool to improve instruction, adapt curriculum and provide academic resources that will boost learning outcomes for every student.

Life at the heart of the Dominican Pillars at St. Catherine's – one profound activity from the year stands out to encapsulate all four of our Dominican values. Just before the school year began, heartbreak struck the St. Catherine's family when a student in our 8th grade died in a tragic accident. The Class of 2020 – our 8th graders – were guided through grief by an opportunity to grow closer and find a way to keep the memory of their fallen classmate alive. At our final all-school liturgy of the year, the 8th grade class introduced the Sara Dresen Memorial Scholarship. Teachers, students and parents contributed over $500 to the initial appeal. This effort to unify the St. Catherine's community, to honor a life lost too soon, will reach into the future with Christ's love, to serve new generations of scholars.

Your support of St. Catherine's is much more than improved GPAs, ACT scores and college scholarships. You instill values – Dominican values – in our young men and women that will serve them, and those around them, no matter where life leads. Connecting with a community of Angels who pray, serve and learn from one another, brings meaning to life's journey. The world stands in need of our students, gifted and guided by these core values.

Thank you for sharing in our work and our mission.

Jill Mengesha '74
Chairperson, Board of Directors

Dear Friends of St. Catherine's School,

The '16-'17 school year is well underway with a lot of school activity and fall sports filling the calendars of students, families, teachers, staff and alumni. The Racine Dominicans have been the proud sponsors of St. Catherine High School (SCHS) for over 150 years. St. Catherine's school is now home to a middle and high school with over 600 students this year.

As educators, the Racine Dominicans have served as teachers, administrators and counselors in many of the Racine Catholic Grade Schools, at SCHS and at Dominican College (later known as College of Racine: closed in 1972). Since those early years of our community foundation, education of children especially, but of all people, has been the cornerstone of our commitment to society and its citizens.

While we may no longer staff any Catholic Schools in Racine or elsewhere, our commitment to quality education for all people has not wavered. The Racine Dominicans continue to be teachers and role models wherever they minister today and have taken a significant role in helping to make the K-12 Racine Catholic School Collaboration become a reality.

The Racine Dominicans will have representation and influence at the Trustee level of the new school collaboration. Work continues on this complicated endeavor because of the commitment of many dedicated volunteers who work to guarantee the long time sustainability of Catholic Education in Racine. We believe that creating a Racine Catholic School system will provide the efficiencies, expertise and financing to implement a K - 12 system of quality Catholic education that will be viable into the future.

The transition of our sponsorship of SCHS to an Archdiocesan K - 12 Racine Catholic School Collaboration is closer to becoming a reality than ever before. The Racine Dominicans will continue to be a voice for an educational system that graduates socially responsible citizens rooted in the Gospel of Jesus no matter what the religious tradition or economic status of its students and families. We are all children of our One God and our witness to that reality will help us someday attain greater world peace. So be it!

In the spirits of Dominic, Catherine and Mother Benedicta,

S. Maryann McMahon, O.P.

S. Agnes Johnson, O.P.

S. Kathy Slesar, O.P.
