

BEAUTY WITH JUDY

BY: JUDY RIVERA

1. Turn a pencil eyeliner into a gel! Hold your black, green, burgundy, etc., kohl eye pencil under a flame for one second, let it cool for 15 seconds and then watch the consistency change right before your eyes. Finally, glide on your newly made gel liner for an instantly "smudgier" formula.

2. When you don't like your eyeshadow color and it doesn't pop, just apply some white eyeliner on the top of your eyelid, before applying a different color.

3. You're only supposed to keep mascara for three months, because beyond that point, it can collect bacteria and lead to eye infections. However, if your mascara dries up within those three months, revive it with a couple drops of saline solution.

FASHION FAILS

BY: AUTUMN BRANDIES

The pictures included are some pretty big fashion fails!

You know, when a famous person wears a really horrible, really disgusting outfit?

The talk of the month is...what's going on in a celebrity's head and why they chose to wear that ensemble. Like for example, Lady Gaga and her meat dress. She might have worn that because it's her favorite meat, or she likes meat, or she might just want to

be different and wear something totally bizarre?? It's a question everyone thinks about. Why do people do things? Is it simply just attention or uniqueness? Do they have horrible fashion sense or do they do it purposefully? I guess we will never know.

ASK FATHER FAITH QUESTIONS

IF YOU OCCASIONALLY SIN THEN WILL YOU GO TO HELL?

I DON'T KNOW. ULTIMATELY ONLY GOD DECIDES WHO GOES TO HEAVEN AND WHO GOES TO HELL, BUT HE HAS REVEALED TO US CERTAIN THINGS ABOUT HOW TO GET TO HEAVEN AND WHY PEOPLE GO TO HELL. HUMAN BEINGS WERE CREATED FOR HEAVEN, THAT MEANS GOD CREATED US TO KNOW, LOVE AND SERVE HIM IN THIS LIFE AND BE HAPPY WITH HIM IN THE NEXT.

AT THE SAME TIME, THE CHURCH, IN ACCORD WITH THE BIBLE AND TRADITION, HAS ALWAYS HELD THAT NO ONE CAN GET TO HEAVEN WITHOUT GOD'S GRACE- I.E. HIS SUPERNATURAL HELP. IN OTHER WORDS HEAVEN IS NOT THE DEFAULT OPTION WITH HELL BEING RESERVED FOR PEOPLE LIKE HITLER. RATHER EVEN SOMEONE LIKE HITLER COULD GO TO HEAVEN IF HE WERE TO BE TRULY REPENTANT AND ASK FORGIVENESS, EVEN MOMENTS BEFORE DEATH, AS WE SEE JESUS FORGIVE "THE GOOD THIEF" ON THE CROSS AND PROMISES HIM, "TODAY YOU WILL BE WITH ME IN PARADISE."

NO ONE SHOULD EVER ASSUME THEY ARE GUARANTEED HEAVEN, BUT NO ONE SHOULD RULE OUT HEAVEN FOR ONESELF OR ANYONE ELSE. NO SIN IS TOO GREAT FOR GOD'S MERCY AND NO SIN IS SO SMALL THAT IF LEFT UNREPENTED COULDN'T LEAD TO GREATER SINS AND EVENTUALLY HELL. NO ONE GOES TO HEAVEN WITHOUT GOD'S HELP, AND NO ONE GOES TO HELL WITHOUT CHOOSING TO GO THERE.

ARE YOU OPEN MINDED TO OUTSIDERS OF THE CHURCH?

I AM NOT EXACTLY SURE WHAT YOU MEAN BY THIS QUESTION, BUT IF BY OPEN MINDED, YOU MEAN, "DO YOU LOVE AND RESPECT EVERYONE REGARDLESS OF THEIR RELIGIOUS BELIEFS," THEN THE ANSWER IS YES. IF YOU MEAN, "DO YOU THINK THAT ALL THE IDEAS OR BELIEFS THAT PEOPLE HAVE ARE EQUALLY TRUE AND SHOULD JUST BE ACCEPTED WITHOUT ANY CRITICAL THOUGHT, THEN THE ANSWER WOULD BE NO, BUT THEN I WOULD QUESTION THE DEFINITION OF "OPEN MIND." IN THE WORDS OF G.K. CHESTERTON, "MERELY HAVING AN OPEN MIND IS NOTHING. THE OBJECT OF OPENING THE MIND, AS OF OPENING THE MOUTH, IS TO SHUT IT AGAIN ON SOMETHING SOLID."

ASK ANDY'S ADVICE COLUMN

Dear Andy,

I'm stressed, because my bf is moving away. I don't have time to spend with him, because I'm too busy with my grades. What do I do?

Sincerely,
~Worried Wendy

Dear Worried Wendy,

Try to stay on the bright side. Try and organize your time between spending time with him and homework; maybe that can overlap daily too if you can finish homework after school together.

Remember, school comes first, but you can have time for both. The best key for grades and homework is to stay calm, concentrate and believe you can do it. Also, try to share meals together when your parents allow it. Help each other with chores. Many things you need to do already can be more enjoyable if shared with someone you enjoy spending time with.

Sincerely,

Andy

Dear Andy,

How do I keep from exploding from all the stress I get from homework? I do have good grades and finish homework, so why do I always feel stressed about it!? Please answer back!

Sincerely,
~ Stressed!

Dear Stressed,

The way you keep from exploding is by taking time teachers will give you in class to finish your assignment. If you finish that assignment early, try and work on other work you have for other classes so that minimizes the work you have to do at home. If you can't meet the deadline, talk to your teacher for an extension. Teachers love it when students communicate with them BEFORE the assignment is due.

Sincerely,

Andy

DIY CONFETTI EGGS

By: AUTUMN BRANDIES

YOU WILL NEED:

- Confetti (whatever kind)
- Eggs (make sure the eggs are hollow)
- Mod Podge
- A brush (to spread with)
- Decorative markers or tissue paper.

WHAT TO DO:

1. Take an egg and take out everything on the inside, but only put a little hole at the top.
2. Decorate the outside of the egg with modge podge and tissue paper.
3. Let dry.
4. Put the confetti inside the egg however high you want.
5. Finally, you have to put a tiny piece of tissue paper at the top closing the whole make sure you conceal it good.

This could be a funny prank when a person tries to open a boiled egg to eat and finds confetti, or it could be nice for an Easter egg fight instead of a water balloon fight.

DIY ICE CHALK

By: MIA GIMBEL

YOU WILL NEED:

- baking soda
- liquid water colors or food coloring (water color is more vibrant)
- corn starch
- vinegar in a spray bottle
- water
- paint brushes
- ice cube trays

WHAT TO DO:

1. Fill each ice cube slot with about 30% baking soda, 40% cornstarch.
2. Add a couple drops of liquid water color. If you are using food coloring then use a lot for a vibrant color.
3. Fill the rest of the slot with water.
4. Mix it gently.
5. Put in freezer for 4-6 hours.
6. Spray the chalk a couple of times with vinegar and it erupts with color.
7. Use paint brushes to move the color around.
8. Have fun!

SPECIAL FEATURE Empty Bowls Fieldtrip

By: KYLI WOLBACH

"I loved getting to take home a cool bowl."

On March 6th, 2017 the seventh and eighth graders were able to walk to Festival Hall to participate in the annual Empty Bowls event. There were all different kinds of soups and breads that the community came together and donated. St. Cat's seventh graders made bowls to donate. Here's what St. Cat's students and faculty that attended the event and/or helped make the bowls had to say:

"The experience was phenomenal and knowing that I was apart of a good cause made me feel proud to be part of the St. Cat's family!"

"I loved checking out all the bowls that other people made to get ideas for next year."

An anonymous poll was sent to all that attended the Empty Bowls Event. Above are a few quotes from them.

FLASHBACK

BY: MARISSA ARANDA

Cheer and Poms practice took place following the early release on March 13th. Thursday, March 16th 3rd Quarter ended and Parent Teacher Conference went from 5 p.m. - 8 p.m. On the following Wednesday and Thursday was English Fest. Friday, March 24th was Festival of the Arts where people came to enjoy the beautiful sounds of the choir/bands and view the fantastic artwork of grades 6-12. Tuesday and Wednesday, March 28th and 29th, 8th graders had Wisconsin Forward Testing. Then on Friday and Saturday was the middle school musical, *The Wizard of Oz*. I enjoyed the musical numbers and how much effort each cast member put into the production.

CLUBS FORENSICS

BY: WILLOW NEWELL

The Middle School Forensics Club, in my opinion, is one of the best clubs this school has to offer. And this season was one of the best I have ever seen. Not only because of the team's accomplishments, but because of the dedication that each member showed. Everyone worked extremely hard, and put their hearts into their pieces.

DIY SCIENCE EXPERIMENT

BY: VALERIA MALFAVON

Have you ever wondered what happens when you mix baking soda and Vinegar? Well, if you have, let's make a cool experiment to show an example of what happens.

YOU WILL NEED:

- Baking soda
- Vinegar
- Food coloring (optional)
- A box

WHAT TO DO:

1. First, take any kind of cup and place it on the box for an easy clean up.
2. Then, put 1 teaspoon of baking soda in it.
3. Next, take a few drops of food coloring (optional) and drop them into the cup.
4. Then, take the vinegar and put a small amount of it into the cup.
5. Finally, watch the ingredients react!

Why is this happening: Vinegar and baking soda react by forming carbon dioxide gas. The carbon dioxide flows to the top of the cups causing an "eruption".
