

Happy Monday Angels!

This week was a roller coaster ride for many of our athletes and teams. There was jubilation for some and heartbreak for others, but we are proud of all of the Angel student-athletes!

Boys Volleyball started off the week with a gut-wrenching 5 set loss to Westosha Central to end their regular season. However, the team rebounded in the WIAA Regionals with a 4 set win over Racine Park in what was the first home playoff game in boy's volleyball history for the school.

Soccer had an incredible final 15 minutes on Thursday at a blustery SCORe complex to win their sectional semi-final game over Shoreland Lutheran 3-1. In the Sectional final with a trip to state on the line, in front of a great crowd, the Angels fell just short against Prairie, losing 2-1. Juan Meija scored the only goal for the Angels, who had three players leave the game with injuries. It was still an outstanding season for the team and they are the Metro Classic Conference champions!

Football also saw its season come to an end this weekend on Friday with a loss to Lake Mills 30-13. The Angels fell victim to the turnover bug and had some missed opportunities. Isaiah Dodd had an outstanding night on the ground for the Angels, who finished the season 10-1 with an undefeated Metro Classic Conference Championship.
